*Brief Program Description:* Family Child Care is a home-based program geared for a mixed age group which includes infants, toddlers, and preschoolers. The purpose of this program is to provide a safe, informal, healthy, nurturing environment for young children while the parent/parents are working, attending school, seeking employment or participating in a program offered by the Dept. of Social Services (DSS) and/or the Department of Early Education and Care (EEC). Family child care allows a provider to care for a small group of children in the provider's own residence with daily routines and household materials allowing for experiences closer to children's own physical and mental development. Program hours are 7:00 a.m. to 5:00 p.m. Family Child Care providers participate in a USDA food program which allows them to feed the children a nutritious breakfast, snack, and lunch on a daily basis.
